

The Elite T5.1 provides a great option for everyday workouts. A heavy-gauge steel frame ensures an ultra-stable exercise experience, and the FeatherLight folding design with integrated wheels offers convenient storage. Bluetooth offers seamless connectivity for streaming music from your smartphone or collecting workout data from wireless heart rate devices. Includes Sprint 8 high-intensity interval training to help burn fat and build muscle in short 20-minute workouts.

FEATURES

- Heavy-gauge steel frame provides a stable, natural run
- FeatherLight folding design with integrated wheels offers convenient storage
- Bluetooth enables music streaming and wireless heart rate tracking
- Sprint 8 HIIT burns fat and builds muscle in short 20-minute workouts

With ViewFit, you'll never have to manually enter your workouts again, because your machine will do it for you. Go to ViewFit.com or download the app to connect your equipment, track your efforts and share your progress.
